True Colours: Second Chance Series By Bella Paige

What can you tell about a person just by looking at them? There is a saying: "Never judge a book by its cover" I believe that you also shouldn't judge a person by their appearance, because even though they might smile at you and look all together, inside, their world could be crumbling around them. Ariel Patterson learns this lesson well when she comes across five homeless children. Ariel was lucky because she came from wealth and a great upbringing, but not every child is so lucky. How will these five children change her life, and how will Noah change her heart?

About the Author

I am almost twenty-five and was born and raised in the South Burnett. I moved to the city four years ago and have been writing for fun since I was sixteen. I love creating different worlds and environments, making new characters and storylines. My motto is live, laugh, inspire, and be true to you.
