**Bates' Pocket Guide to Physical Examination and History Taking** By Lynn S. Bickley MD FACP

This concise pocket-sized guide presents the classic Bates approach to physical examination and history taking in a quick-reference outline format. It contains all the critical information needed to obtain a clinically meaningful health history and conduct a thorough physical assessment. Fully revised and updated to reflect current health care literature, the Seventh Edition will help health professionals elicit relevant facts from the patient's history, review examination procedures, highlight common findings, learn special assessment techniques, and sharpen interpretive skills.

The book features a vibrant full-color art program and an easy-to-follow two-column format with step-by-step examination techniques on the left and abnormalities with differential diagnoses on the right.

### **Editorial Review**

#### Review

"With this edition, the authors continue the excellence that the Bates' books have enjoyed. The authors are leading educators in their fields."

"This pocket version, based on the larger Bates' Guide to Physical Examination and History Taking, 11th edition, by the same authors (Lippincott Williams & Wilkins, 2013) is excellent, capturing the details in a most efficient manner in a format that is easy to refer to. The text is a perfect mix of words in bulleted format, pictures, and tables."

"This is a great, handy, well-sized book."

#### Doody's Reviews

Vincent F Carr, DO, MSA, FACC, FACP(Uniformed Services University of the Health Sciences)

Weighted Numerical Score: 100 - 5 Stars!

So , for every you who want to start reading as your good habit, you are able to pick Bates' Pocket Guide to Physical Examination and History Taking become your current starter.

### **Raymond Crandall:**

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's internal or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Bates' Pocket Guide to Physical Examination and History Taking can make you sense more interested to read.
