Beast (The Soldiers of Wrath: Grit Chapter) (Volume 1) By Jenika Snow, Sam Crescent

Bridget is in trouble, and knew the only person that can help her is Beast, a hardened biker she's grown up with. He isn't just a man, but a rough around the edges, dangerous and raw alpha that acts first and asks questions later. He is also patched in with the Soldiers of Wrath: Grit Chapter, a motorcycle club that does what it has to do to stay on top. But in order for Beast to help her she's going to have to give something to him in return ... her body. He frightens her, but also arouses her, and she knows being his means more than just surrendering herself. Can Bridget let go and submit to the biker, or is being Beast's in all ways going to end up breaking her?

Editorial Review

About the Author

Jenika is just your average woman. She lives in the too hot northeast with her husband and their young daughter. Thankfully, he shares her unusual sense of humour and naughty nature, so finding material for her stories isn't a problem. Along with taking care of their daughter, they have to keep an eye on Milo and Otis, their spunky cats. When not writing, Jenika works full-time and attends nursing school. Writing is Jenika's number one passion, but since life gets in the way, she isn't able to write full-time (at least not yet). Jenika started writing at a very young age when her first story consisted of a young girl who traveled to an exotic island and found a magical doll. That story has long since disappeared, but her passion for writing hasn't.

Sam Crescent has always had a love of fiction, through her teen years she would find friendship between the pages rather than in an actual person. By the time she turned sixteen she discovered Mills and Boon and never looked back. She loved the quick happily-ever-after read. A guarantee that no matter what happened the heroes and heroines would always find their soul mate. After college and starting a degree, one lonely bored night she searched the internet looking for a new author to read. On that night and for the years to come she discovered romantica and erotic writing.
