Christian Ethics: An Introductory Reader From *imusti*

This comprehensive anthology of primary documents and materials explores the evolution and study of Christian ethical principles. It may be used independently, or alongside the accompanying textbook, *Introducing Christian Ethics*, for a complete overview of the field.

- Represents the entire canon of Christian ethics, including first-hand accounts from major figures in the theological and ecclesial tradition
- Introduces foundational figures such as Augustine, Aquinas, and Luther; contemporary theorists including Jürgen Moltmann, Stanley Hauerwas, and Wendell Berry; in addition to work by non-theoretical figures, such as Gandhi and Martin Luther King
- Features useful introductory material that demonstrates the significance of each extract and how they relate to each other
- May be used independently or together with the accompanying textbook, *Introducing Christian Ethics*; both books share the same structure and are cross-referenced for ease of use

Editorial Review

Review

"Two Anglican theologians, Samuel Wells and Ben Quash, have written an excellent textbook introducing ecumenical Christian ethics. . . This book is a gift for an instructor trying to write a syllabus, and a student who mastered it would be ready for further steps in academia." (Theology, 1 November 2011)

"The success of this publication and of the ecclesial ethics movement from which it comes is significant." (Regent's Reviews, 1 October 2010)

Review

"The selection of readings is excellent and I'd happily have my students devour them"

—*Esther Reed*, University of Exeter

"Clear, sharply focused and precisely what is needed. This book is enlightening and potentially transformative. It presents Christian ethics as an exciting theological enterprise and offers a rich, deep and accessible way of practicing ethics."

—*John Swinton*, University of Aberdeen

"Wells and Quash have put together a wonderfully comprehensive survey of Christian ethics while at the same time offering a distinctive and fresh perspective ... With the array of primary texts and judicious and very well informed commentary that the two volumes represent, they have succeeded in constructing an extremely valuable resource for teachers and students of Christian ethics."

—*Michael S. Northcott*, University of Edinburgh (of *Introducing Christian Ethics and Christian Ethics: An Introductory Reader*)

From the Back Cover

Christian Ethics: An Introductory Reader provides a comprehensive anthology of primary documents and materials relating to the emergence and study of key approaches to Christian ethics.

The volume seeks to encompass the entire canon of Christian ethics, including first-hand accounts from major figures in the theological and ecclesial tradition. Readers are introduced to foundational figures such as Augustine, Aquinas, Luther, Calvin, and Barth, as well as contemporary voices including Rosemary Radford Ruether, James Cone, Jürgen Moltmann, Stanley Hauerwas, Oliver O'Donovan, Wendell Berry, and many others. Other notable figures not usually associated with the study of formal theoretical ethics, such as Gandhi and Martin Luther King, Jr., are also represented.

The significance of each extract is summarized through useful introductory sections, placing the author or text in the context of broader developments in Christian ethical theory. Whether it is used independently or alongside the accompanying textbook, *Introducing Christian Ethics*, this engaging and informative volume offers students a window into the fascinating evolution of Christian ethical thought.

Users Review

From reader reviews:

Lawrence Rector:

Book is actually written, printed, or highlighted for everything. You can know everything you want by a publication. Book has a different type. As we know that book is important point to bring us around the world. Alongside that you can your reading skill was fluently.
