## Everyone's A Theologian By R.C. Sproul

### Summary

Many people react negatively to the word *theology*, believing that it involves dry, fruitless arguments about minute points of doctrine. Yet as Dr. R.C. Sproul argues, everyone is a theologian. Any time we think about a teaching of the Bible and strive to understand it, we are engaging in theology. Therefore, it is important that we put the Bible's varied teachings together in a systematic fashion, using proper, time-tested methods of interpretation so as to arrive at a theology that is founded on truth.

That is precisely what Dr. Sproul does in *Everyone's a Theologian: An Introduction to Systematic Theology*. This book is anything but a dry discussion of minute points of doctrine. Dr. Sproul, demonstrating his trademark ability to make complex subjects easy to understand, surveys the basic truths of the Christian faith, reminding us once more of what God is like and of what He has done for His people in this world and the next.
