### Magicka Formularia: Magicka Formularia, a Study in Formulary Magick

By Sandra Cheryl Richardson

Magicka Formularia is one of the best reference books on formulary magick I have. It has its roots in Hermetics, but crosses over to Wicca and other Earth based religions. It covers the basics as well as deeper concepts of magick. I highly recomend this book to anyone who wants to build a reference library on the theory of Magick and its applications.
