Opening Repertoire: The Caro-Kann By Jovanka Houska

The Caro-Kann Defence remains a very popular option for Black at all levels of chess. It has always enjoyed a solid reputation, but if anything its popularity has increased in recent years with the realization that the Caro-Kann can also be employed with the intention of reaching sharp dynamic positions, rich in possibilities for both sides and with a guarantee of genuine counterplay for Black.

In this book, International Master Jovanka Houska presents the reader with a complete Caro-Kann repertoire, which is based primarily on her own repertoire she has used with success over many years at international level.
