Editorial Review

From Library Journal

Military regimes are not at all unusual in Argentina, but those that ruled from 1976 to 1979 were unique in the number of civilians, mostly young people, who were kidnapped, jailed, tortured, and/or murdered because of their political beliefs. Late in 1977 the author was taken into custody by the army and sent to "the little school," one of many camps where dissidents were "taught" their "lessons." Imprisoned without charges, she spent almost a year blindfolded and bound, cut off from friends and family, including her child, until being inexplicably released. Partnoy's glimpses of her life in prison are understandably disjointed and meandering, but they stand as a record of character and fortitude. Louise Leonard, Univ. of Florida Lib., Gainesville

It is most important to arrange yourself to make your knowledge are still update. Let's try to choose suitable ways for you.

Ella Hodge:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Little School: Tales of Disappearance and Survival can make you feel more interested to read.
