Editorial Review

Review

"The Hidden Interview Question is an informative take action guide that lays out many of the issues people face when stepping into the office for that do or die interview, along with providing solutions that are going to help you give the interviewer exactly what they're looking for.

I like the fact the author uses a broad sense approach, covering both major and minor issues. Something as simple as making eye contact can make or break the deal.

Bottom line is there's definitely something in here for you to gain. Read it and find out what!"...Cathy Wilson, best - seller author
