### **Thou Art My Battle Axe** By Paul Enenche MD

The mere mention of the battle axe introduces or links the mind to war. No one talks about the battle axe if there is no battle. And no one talks about weapons of war if there is no war. We are in battle, every day.

The battle line is drawn. The battle is between the forces of darkness and the forces of light; between the forces of good and the forces of evil; and between Jehovah - the Mighty Man of War - and the god of this world.

The worst thing that can happen to anyone is to be in the midst of battle and not be aware. Such a person ends cheaply as a casualty of battle. To live in this world without battle-consciousness is to die like chicken. To live in this world without battle-consciousness is to end as a casualty. To live in this world as a believer or pastor without battle-consciousness, is to end as a mess in life and Ministry. This book is an eye opener on the realm of the spirit and how we can bring the victory of our Lord Jesus Christ to our world through our individual lives
